AI ASSETS PROCUREMENT AGREEMENT

Reference is made to (i) the Company's announcement dated 27 September 2023 in relation to, among others, the strategic cooperation between the Company and Chengdu Qingshu, a high-tech enterprise established in the PRC focusing on research and application in the fields of big data and intelligent computing, providing support to AI companies with enhanced speed and performance; and (ii) the Company's announcement dated 24 December 2025 in relation to, among others, the business update of the Group.

The Board is pleased to announce that on 5 January 2026 (after trading hours), Fanzhicheng and Chengdu Qingshu entered into the AI Assets Procurement Agreement in relation to, among others, procurement of the AI Assets at the consideration of RMB30,554,900 (equivalent to approximately HK\$33.6 million).

LISTING RULES IMPLICATIONS

As one of the applicable percentage ratios of the transaction contemplated under the AI Assets Procurement Agreement is more than 5% but less than 25%, the transaction contemplated under the AI Assets Procurement Agreement constitutes a discloseable transaction for the Company and are subject to reporting and announcement requirements under Chapter 14 of the Listing Rules.

THE BUSINESS COOPERATION AGREEMENT

Reference is made to (i) the Company's announcement dated 27 September 2023 in relation to, among others, the strategic cooperation between the Company and Chengdu Qingshu, a high-tech enterprise established in the PRC focusing on research and application in the fields of big data and intelligent computing, providing support to AI companies with enhanced speed and performance; and (ii) the Company's announcement dated 24 December 2025 in relation to, among others, the business update of the Group.

The Board is pleased to announce that on 5 January 2026 (after trading hours), Fanzhicheng and Chengdu Qingshu entered into the AI Assets Procurement Agreement in relation to, among others, procurement of the AI Assets.

The principal terms of the AI Assets Procurement Agreement are as follows:

Date: 5 January 2026

Parties: (1) Fanzhicheng; and
(2) Chengdu Qingshu as supplier

Subject matter

Pursuant to the AI Assets Procurement Agreement, Fanzhicheng shall procure the AI Assets from Chengdu Qingshu at the consideration of RMB30,554,900 (equivalent to approximately HK\$33.6 million), which shall be settled by bank transfer within 10 days upon signing of the AI Assets Procurement Agreement. Such consideration covers all expenses involved in relation to the AI Assets, including related technical and engineering services, design, materials and accessories, testing, packaging and warranty services.

The AI Assets shall be delivered by Chengdu Qingshu at the designated location by Fanzhicheng within 30 days upon signing of the AI Assets Procurement Agreement. Within 60 days upon signing of the AI Assets Procurement Agreement, the AI Assets shall be installed by Chengdu Qingshu.

The terms of the AI Assets Procurement Agreement have been determined after arm's length negotiations between Chengdu Qingshu and the Group and are on normal commercial terms with reference to the current market value of similar assets in the market. The consideration will be funded by internal resources of the Group.

INFORMATION ON THE PARTIES

The Group is principally engaged in the sale of environmental protection products and equipment, and the provision of environmental protection construction engineering solutions and services. Fanzhicheng, being a wholly-owned subsidiary of the Company, is a wholly-foreign owned enterprise established in the PRC for the implementation of strategic cooperation between the Company and Chengdu Qingshu.

Chengdu Qingshu is a company established in the PRC and a high-tech enterprise focusing on research and application in the fields of big data and intelligent computing, it possesses a computing cloud platform which provides comprehensive infrastructure and application programming interface (API) services for AI companies in support of their development and deployment of AI applications. As at the date of this announcement, to the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, Chengdu Qingshu is held by (i) Chengdu Dingyuan Taifu Asset Management Center (Limited Partnership)* (成都鼎元泰富資產管理中心(有限合夥)) (“**Chengdu Dingyuan**”) as to approximately 84.2%; (ii) Chengdu Qingshu Zhihe Technology Partnership (Limited Partnership)* (成都清數智合科技合夥企業 (有限合夥)) as to approximately 13.5%; and (iii) two other companies established in the PRC as to approximately 2.3% in aggregate, where Chengdu Dingyuan is ultimately owned by Ma Yong (馬勇) as to 60% and Ma Xiaoxia (馬曉霞) as to 40%.

To the best of the directors' knowledge, information and belief having made all reasonable enquiries, Chengdu Qingshu and its ultimate beneficial owners are third parties independent of the Company and its connected persons (as defined under the Listing Rules).

REASONS FOR AND BENEFITS OF ENTERING INTO THE AI ASSETS PROCUREMENT AGREEMENT

Since the entering into the strategic cooperation agreement with Chengdu Qingshu in September 2023, the Group has been expanding efforts in AI-related industries, capturing “AI+” market opportunities, to diversify its business and revenue. By closely collaborating with professional partners like Chengdu Qingshu, the Group intends to combine its knowledge, resources, and market insights to generate synergy and seize AI industry opportunities. The Group targets at deepening its core businesses by making use of AI-driven opportunities to speed up the intelligent upgrading of the environmental protection industry and expanding its diversified presence by actively investing in and exploring new opportunities along the “AI+” value chain to broaden revenue sources and improve sustainability. The Group procures the AI Assets for construction of AI centre and diversification into the AI business.

Looking ahead, the Group will keep using cutting-edge technologies and applications to strengthen its competitiveness and long-term development capabilities. While consolidating existing operations, the Group actively aligns with the nation's long-term planning, precisely gauge market trends, and spots investment opportunities. While focusing on its principal business, the Group has also been constantly exploring business opportunities to expand its existing business segments and to diversify its business portfolio, which is part of the Group's business strategy.

In view of the above, the Directors consider that the terms of the AI Assets Procurement Agreement are fair and reasonable and are in the interests of the Company and its shareholders as a whole.

LISTING RULES IMPLICATIONS

As one of the applicable percentage ratios of the transaction contemplated under the AI Assets Procurement Agreement is more than 5% but less than 25%, the transaction contemplated under the AI Assets Procurement Agreement constitutes a discloseable transaction for the Company and are subject to reporting and announcement requirements under Chapter 14 of the Listing Rules.
